REQUEST FOR CERTIFICATE OF CORRECTION
UNDER 37 C.F.R. §1.323

Honorable Commissioner of Patents
and Trademarks
Washington, D.C. 20231

APPROVED

JUN 19 1997
Mary H. Queen
FOR THE COMMISSIONER OF PAT. & T.M.

Sir:

Upon a review of the above identified U.S. patent, applicants noted several obvious clerical errors appearing in the specification, wherein the terms "acetamide" and "carboxamide" were erroneously substituted for the correct term "carbamoyl" in several instances, as specifically set forth on the attached Form PTO-1050 (submitted in duplicate). It is respectfully submitted that it would be readily apparent to an organic chemist having ordinary skill in the art from a review of the involved reactions that the correct term is "carbamoyl". Accordingly, a Certificate of Correction is believed to be in order and is most respectfully requested.

As these clerical errors were introduced by applicants, submitted herewith is a check in the amount of \$100 in payment of the fee under 37 C.F.R. §1.20(a).

The Honorable Commissioner is most respectfully requested to return a duly certified copy of the attached Form PTO-1050 as registrant's Certificate of Correction.

Respectfully submitted,

April 14, 1997
